April 6, 2018

Dear Campers,

Summer is quickly coming and already we have begun plans for another great summer at Camp Pugwash. Junior Camp is July 1 thru 8. Teen Camp is July 8 thru 15. Some of the classes that we may offer this year will be – BMXing on the new track, sailing, wake boarding, and guitar. Specialty Camp is July 15 thru July 20.

We would love to see you back again at camp this summer. Enclosed you will find the summer camp application form you can fill out and return by mail. You can download extra copies at our website at www.camppugwash.com. Register early so you can get the activities you wish to take at camp. Invite a friend to come with you this year.

This year each camper can help bring others to summer camp and get paid for recruiting their friends. For each person you recruit for junior or teen camp this year—who has never been to Camp Pugwash before—you will receive 50% off your camp fees for each friend that you bring to camp. That means if you bring two new friends to camp this year—you come for free!

We are looking forward to seeing each and every one of you, and hope that you have a great summer.

God bless.

Sincerely,

Teresa Ferreira
Summer Camp Director
