

Creating a Reservation Seasonal Rental (Trailer)

Hi Pugwash family,

We're excited to be accepting reservations through UltraCamp for our seasonal rentals. Below you can find a step-by-step guide to creating a Trailer Seasonal Rental.

1. To begin, Google search our website (www.camppugwash.com) and click the green "YEAR Rental Registration" button. This should lead to you Camp Pugwash's UltraCamp Page.
2. On the left-hand side you will see information to log in if you already have an account. Log in with your credentials.
3. You should now see the main page of your account. Have a look at your Account Members. You should see the name of the primary contact under the account. If this is the name of the individual you would like the reservation to be under, no additional steps are required at this time.
 - If you would like the reservation to be under a different name, click "Add Person" and fill out the form with information about the individual and click save. Once saved, you should see that name appear under the "Account Members" section.
4. On the left-hand side menu, click "Make a Reservation". On the right-hand side under where it says, "Make an individual reservation for:" click the individual you would like the reservation to be made under.
 - You should then be displayed with the sessions you are eligible to register for.
 - Proceed by clicking the one you would like to register for, "YEAR Seasonal Rental" and then click "Register"
5. You should now be displayed with the two Seasonal Rental Options. Since these instructions are tailored to a Trailer rental, select "Trailer" and then "Next"
6. Now you should see a list of all available trailer sites. On the left hand side you can see the trailer number and then a description of the site in the middle.
 - For reference to the campground, you can click on the map located at the top of the page.
 - Proceed by clicking on your desired trailer and then clicking "Next"
7. Trailer Renters have 2 options for this season:
 - Option 1: Seasonal Rental: This option allows you to visit your trailer on the Pugwash grounds while following our COVID-19 Operational Management Plan.
 - Option 2: You pay a storage/hold fee to hold your spot until next season, and you do not visit your trailer on Pugwash grounds this season.
 - Select the option you would like for this season and then click "Next"

8. Please indicate whether or not you are planning on using an air conditioner in your trailer while you visit this summer.
 - If you have one, click the check box and then click, "Next"
 - If you do not have an air conditioner, do not select the option, simply click "Next"
